

Connect Responsibly with Marriott Bonvoy Events™

Your Event, Your Impact

At Marriott Bonvoy's portfolio of hotel brands, your meetings and events are opportunities that can help drive positive, sustainable change and support your event's goals. With sustainability impact metrics tailored to your event and the ability to access carbon offset projects, we are working to integrate responsible practices throughout our operations.

For a limited time, receive a complimentary carbon offset as part of your event when you host at participating hotels and resorts in the U.S. and Canada. Book by December 31, 2025.

Visit marriottbonvoy.com/cr25 for more information. Terms apply.

OUR RESPONSIBLE PRACTICES

1. Providing sustainability solutions and impact metrics tailored to your event with access to carbon offset projects.
2. Continuous efforts to reduce single-use items by developing plans for bottled water alternatives and replacing single-use guest room amenities.
3. Responsibly sourcing the quality products our customers demand while ensuring a sustainable supply of products in the future.
4. Strategically planning and preparing meals and repurposing ingredients to help prevent food waste, protect the environment and reduce costs. safety and content development
