

# Connect Responsibly with Marriott Bonvoy Events™

Your Event, Your Impact

**A**t Marriott Bonvoy's portfolio of hotel brands, meetings and events are opportunities that can help drive positive, sustainable change and support your event's goals. With sustainability impact metrics tailored to your event and the ability to access carbon offset projects, we are working to integrate responsible practices throughout our operations.

## OUR PRACTICES

1. Providing meeting impact reporting tailored to your event, with access to carbon offset options.
2. Continuous efforts to reduce single-use items by developing plans for bottled water alternatives and replacing single-use guest room amenities.
3. Responsibly sourcing the quality products our customers demand while ensuring a sustainable supply of products in the future.
